

They have investigated every charge, every conspiracy with diligence and have come up with nothing.

The idea that Georgia's vote was illegitimate is a lie. There is no way around it.

But the President didn't like the results, so he tried to extort, bully, and threaten our Secretary of State to change the election results. Now, we actually have attempted election fraud—but from our President. And we have his conversation on tape.

When his plan to solicit fraud failed, the President then incited a violent mob on the basis of lies to come to the Capitol and try to disrupt the constitutionally required certification of the election. This was a mob with zip tie handcuffs, tactical military gear, and weapons. A mob that hung a noose on the mall for Vice President Mike Pence. Then as the Capitol Police made desperate pleas for the deployment of the national guard to help respond to the insurrection, their request was denied by the President.

A democracy requires people of good faith and ethics to make it work. I ask my colleagues to reject the lies and to support the article of impeachment against President Donald Trump.
